

Dear Parents,

As the school year starts we would like to introduce all parents to RenWeb Student Information System. I want to give you an update on the ParentsWeb features we will be utilizing this year. All parents will have access to the school calendar. Parents of 1st - Fifth grade students will utilize the gradebook feature. You will only be able to view core academic subject's 1st-Fifth grade.

First grade students the first quarter will receive letter grades. Renweb does not average letter grades and your viewing will be limited the first quarter as a First grade parent.
